

From your builder, Holden Barnett Properties, LLC, and your developer, TH Clayton Development Co, LLC, “Welcome to The Walk”!

Meet Your Builder and Your Developer Team

Holden Barnett is a locally owned new home building and development company with a focus on providing high quality residential properties throughout the greater Triangle market. Its founders, Tom Holden and Hall Barnett, have each been developing and building commercial and residential properties throughout North Carolina for the past 25 years. TH Clayton specializes in development and re-development of properties on the East Coast, as well as, restoration and renovation of historic properties. HBP and THC team members have 90 years of combined experience in the industry. Collectively, their expertise includes new home construction oversight and administration, commercial real estate development, business and financial management, land acquisition and development, and real estate marketing.

Exceptional Living

TH Clayton and Holden Barnett have partnered to create not only exceptional homes, but also exceptional relationships. Our partnership was created with you in mind to bring a combined commitment and experience to The Walk at East Village. This lifestyle community will be embedded with our personal touch in the home building process and your active lifestyle to guarantee your expectations will always be exceeded.

Our Commitment to You

Working hand in hand, TH Clayton and Holden Barnett are committed to providing The Walk at East Village homeowners with a higher standard of living. Our craftsmanship is at the forefront of each home we construct, with a commitment to distinction beginning at the concept of design through the final construction. We assure you your new home will be built with premium materials and a keen eye for attention to detail. TH Clayton and Holden Barnett Properties will ensure your neighborhood is a desirable place to live. We look forward to partnering with you in writing your next chapter here at The Walk at East Village.
